

TMC2130 Schrittmotortreiber Modul

Artikel-Nr.:	TMC2130
Hersteller:	Frei
Herkunftsland:	China
Zolltarifnummer:	85423990
Gewicht:	0.007 kg

Schrittmotortreiber Modul auf Basis von TMC2130

Spezifikation:

- Driver capability up to 1.2A(RMS) continuous coil current
- Step/dir interface with up to 256 microsteps
- SPI interface or CFG pins for configuration
- Motor voltage: 5.5-45V
- Logic voltage: 3.3-5V
- Stealthchop- for quiet operation and smooth motion
- spreadCycle-highly dynamic motor control chopper
- coolStep-current control for energy savings
- stallGuard-sensorless motor load detection
- dcStep-load dependent speed control

Lieferumfang:

- 1x TMC2130 Schrittmotortreibermodul
- 1x Kühlkörper
- 1x Schraubendreher
