

# Push-button, square, NO contact | black

Push-button, square, NO contact

**Product number** DTQ14-S

**Weight** 0.006kg

## Product description

Single push-button with square push-button

### Technical data

Switch type	Push-button
Number of latching switching positions	1-digit
Contact configuration	SPST-NO
Contact rating (with resistive load)	1 A / 250 VAC
Illumination	without
Contacts	Solder lugs
Switching mode	OFF-(ON)
Operating temperature	-25...70°C
Mounting	for front panels
Mounting dimension	Ø 12mm
Body colour	black colour
Mechanical durability	50.000 cycles
Button size	14x14mm

## Product properties

<b>Gross Weight (kg)</b>	0.006
<b>Zolltarifnummer</b>	85365011
<b>Color</b>	black
<b>Country of Origin</b>	China
<b>Brand</b>	Frei
<b>Product ID</b>	DTQ14-S
<b>Manufacturer ID</b>	DTQ14-S
