

A red joystick with a black base and a silver mounting plate, shown from a three-quarter perspective. The joystick has a red spherical top, a black cylindrical stem, and a black circular base with a textured pattern. It is mounted on a silver square plate with several mounting holes. The internal mechanical components, including a spring and electrical contacts, are visible at the bottom.

Technical drawing of a 16A 250V 1P+N 100mA RCD (Type A). The drawing includes a 3D perspective view of the device, which has a transparent plastic housing and a red test button. It also includes four 2D views: a front view, a top view, a side view, and a bottom view. The dimensions are as follows:

- Front view: 65.5 mm (width), 32.1 mm (height), 10 mm (depth), 35.5 mm (width of the base).
- Top view: 97 mm (width), 61.6 mm (height), 65 mm (width of the base), 10 mm (depth), 15 mm (width of the base).
- Side view: 65.5 mm (width), 32.1 mm (height), 10 mm (depth), 35.5 mm (width of the base).
- Bottom view: 65.5 mm (width), 32.1 mm (height), 10 mm (depth), 35.5 mm (width of the base).
